

GREATER LOS ANGELES COUNTY VECTOR CONTROL DISTRICT

SEASONAL EMPLOYEE BENEFITS SUMMARY

At the Greater Los Angeles County Vector Control District, our employees are our most important asset and employee health and well-being are among our highest priorities.

Helping employees and their families achieve maximum physical and emotional health is why the District offers the following benefits.

MEDICAL

We offer a monthly Health Flex Contribution of \$600 that seasonal employees may direct toward medical insurance through the California Public Employees Retirement System (CalPERS).

RETIREMENT

District employees participate in CalPERS which requires that classic members (CLASSIC) pay a 7% contribution and new members (PEPRA) contribute 6.75% of their salary.

WORK-LIFE BALANCE

Some seasonal assignments start as early as 5:00 am and enjoy a 4-day workweek depending on department needs. Employees also receive 24 hours of sick leave per year.
